Admission and Financial Policy

The Torah School of Greater Washington is a Torah Umesorah affiliate founded to serve families from all segments of the Greater Washington community. We welcome students without regard to the affiliation, background, or degree of religious practice in the home, and we are open to students, faculty, and administrative staff of any race, color, and national or ethnic origin.

Admission to our school is open to all children of the Jewish faith, as defined by the *Halachah*. Kindergarten applicants must be 5 years old by September 1, 2011, and First Grade applicants must be 6 years old by September 1, 2011. Continued attendance in the Torah School is dependent upon the maintenance of satisfactory academic and behavioral standards. Please note that no registration will be accepted nor will a place be held for a child if the parents are not current with tuition payments for the current school year. Additionally, all financial arrangements for 2011-2012 must be completed before a youngster may begin the new school year. Limited tuition assistance may be available to families with demonstrated need without regard to race, color, and national or ethnic origin. For more information regarding tuition assistance, please see *Financial Agreement and Terms and Conditions* (goldenrod sheet), included with this letter.

February 14, 2011

Dear Parents:

On behalf of the Board of Directors of the Torah School, I would like to take this opportunity to welcome all of our new parents and their children to the Torah School, together with our many returning families. As always, we gratefully appreciate the trust you have placed in us and look forward to working closely with you throughout the school year as we forge together a close partnership in the education of your children.

On January 25th, 2011, our Board of Directors approved the school's budget for the coming academic year, including an increase of 3% in tuition levels, which is the lowest in many years. Many factors were considered in setting these levels, including the continuing financial pressures we all may be facing, our ability to maintain and improve our fundraising efforts, and, of course, meeting our payroll. Our goals for the coming year include improving our financial posture, while maintaining our school's high educational standards, both in *Judaic* and secular studies.

If you have any questions about the registration process, please do not hesitate to contact our Executive Director, Mr. Zev Teichman, at 301-962-8003 x2311. Thank you again for allowing us the privilege of educating your children.

Very truly yours,

Raanan J. Shames
President, Board of Directors

Financial Agreement and Terms and Conditions

2011-2012 School Year

In consideration of your application, the Torah School of Greater Washington holds a space, engages faculty, and commits to certain expenditures. The enrollment of your child(ren) at the school, therefore, constitutes a contractual agreement between you and the school. Please note that:

1. Submission of registration materials and/or signatures on this document constitutes an agreement that all financial obligations to the school, as delineated in the Tuition Worksheet, will be met.
2. Release of report cards, transcripts, and school records is conditional upon the payment of all accounts.
3. Students may not remain in school without a payment policy that has been approved by the School.
4. All families must be enrolled in the FACTS Management automatic tuition collection program; no exceptions may be made to this rule.

Please select your payment option:

FACTS REENROLLMENT – Pursuant with the FACTS Management agreement, the Torah School will reenroll your family and set up 10 monthly deductions through FACTS. Please note, the first debit on all FACTS contracts will occur in August, 2011. This option may only be selected if all of the following criteria are met:

1. You currently have an active FACTS contract with the Torah School.
2. You currently are having FACTS draw funds from a bank account (not from a credit card).
3. You want to pay your 2011-2012 tuition in 10 monthly payments.

If any of the above criteria are not met, please choose the option below.

NEW FACTS CONTRACT – I will pay the full amount of tuition and fees through the FACTS system in one, two, or 10 payments. I understand that I will receive an invoice from FACTS with online enrollment instructions in mid-June, and, at that time, can choose a payment schedule and a bank account or credit card from which tuition payments will be drawn. (FACTS will assess a fee to those families choosing to pay by credit card.) Please note that the payment schedules from which you can choose are as follows:

- Option 1: Tuition will be paid in one payment in August, 2011.
Option 2: Tuition will be paid in two equal payments in August, 2011 and January, 2012.
Option 3: Tuition will be paid in 10 equal payments, August, 2011 through May, 2012.
