The Torah School of Greater Washington has engaged FACTS to conduct the school's tuition assistance allocations process. Applicants should apply on-line at www.factstuitionaid.com. *The Torah School addendum and your 2010 federal tax filings (including all schedules and attachments and any additional written material regarding your specific circumstances) must be submitted to FACTS Management no later than **May 5, 2011**.* Although FACTS will be conducting the assessment process, our Tuition Assistance Committee will carefully review and approve each allocation of tuition assistance funds, and, as such, you will be notified of any tuition assistance award by the Torah School, not by FACTS.

The Addendum and all supporting documentation can be faxed to 1-866-315-9264 or mailed to the following address:

FACTS Grant & Aid Assessment

Post Office Box 82524

Lincoln, NE 68501-2524

Please be aware that any mailed documentation cannot be returned by FACTS.

This year, if families have children attending more than one school that uses FACTS Grant & Aid Assessment, **ONLY ONE APPLICATION PER FAMILY NEEDS TO BE COMPLETED** and only one \$25 fee paid. The Yeshiva of Greater Washington also uses FACTS. Thus, families with children attending both TSGW and YGW should complete one FACTS application, but must submit the addendum sheet for each specific school.

Thank you for entrusting us with the responsibly of educating your child(ren); it is a responsibility that we undertake very seriously. If you should have any questions concerning the tuition assistance process, you may contact a FACTS Customer Care Representative at 1-866-315-9262. You may also contact me via email at zreichman@tsgw.org or by phone at 301-962-8003, extension 2311.

Sincerely,

Zev Teichman

Executive Director
