

**Torah School of Greater Washington**

# **Second Grade Teacher (Part-Time)**

**(2026-2027 School Year)**

## **Who We Are**

The Torah School of Greater Washington (TSGW) is an Orthodox Jewish elementary school dedicated to providing preschool through sixth-grade students with a high-quality Jewish and secular education in a warm, nurturing, and supportive environment. We aim to cultivate a love for learning, recognize each student's unique strengths and learning styles, and instill strong Middos Tovos and Derech Eretz. We believe every child can thrive and reach their full potential with the proper educational, social, and emotional support.

Teachers at TSGW are valued members of a warm and collaborative faculty community. Educators benefit from ongoing mentorship, team meetings, and opportunities for growth through professional development. Teachers collaborate closely and provide mutual support both within the classroom and beyond. Our staff is committed to fostering a strong partnership between school and home.

## **Job Description**

As the 2nd Grade General Studies Teacher, your primary responsibility is to provide foundational instruction in core subject areas, including English Language Arts, mathematics, science, and social studies. You will play a key role in helping students build essential academic skills while fostering confidence, curiosity, and a love of learning.

Through engaging, developmentally appropriate lessons, you will support students as they strengthen early literacy, writing, and math skills, while continuing to grow socially and emotionally. The ideal candidate is nurturing, organized, and enthusiastic, with a strong understanding of early elementary learners and a commitment to meeting the needs of each child.

## **Key Responsibilities:**

- Design and deliver engaging, standards-aligned lessons in ELA, math, and social studies.
- Support the development of foundational literacy skills, including phonics, reading comprehension, and writing.
- Build students' understanding of core math concepts through hands-on and interactive instruction.

- Foster a warm, structured, and positive classroom environment that promotes self-confidence, awareness, respect, and responsibility.
- Differentiate instruction to meet a range of learning styles and developmental levels.
- Monitor and assess student progress through observations, classwork, and age-appropriate assessments.
- Communicate regularly with parents and colleagues through newsletters, email, phone calls, and conferences.
- Maintain an organized and engaging classroom that supports student learning.
- Participate in school-wide events, professional development, and team collaboration.

## **Qualifications & Skills**

The ideal candidate will possess:

- Bachelor's and/or master's degree in education or a related field.
- Experience teaching early elementary students (preferred).
- Strong understanding of early literacy development, phonics instruction, and foundational math skills.
- Familiarity with elementary standards and developmentally appropriate practices.
- Strong classroom management skills with a nurturing and patient approach.
- Excellent communication and interpersonal skills.
- Ability to differentiate instruction and support diverse learners.

## **Salary and Benefits**

- Competitive Salaries
- 403b Retirement Plan Match
- Maternity Benefits
- Supportive Work Environment
- Professional Development Opportunities
- Supportive Leadership
- Collaborative Culture
